Ponselle Sisters in "Barcarolle"

Rosa Ponselle, famous dramatic soprano of the Metropolitan Opera Company, and her brilliant sister Carmela, both exclusive Columbia artists, sing their first combined record. DOES YOUR BACK ACHE?

It's usually a sign of sick kidneys, especially if the kidney action is disordered, passages scanty or too frequent. Don't wait for more serious troubles. Begin using Doan's Kidney Pills. Read this man's testimony: Court St., Stanton, Mich., says: "Some years ago I was bothered quite a bit with my kidneys. My back ached through the small of it and was so weak and lame that I could hardly manage to straighten after bending. The kidney secretions passed too frequently, causing my rest to be broken at night. I read a great deal about Doan's Kidney Pills so I tried a box. This one box helped me and continued use cured me."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Phipps had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—adv. 2

The Fordson Tractor.

MR. FARMER—Do you know that on February 19th of this year 100,000 Fordson Tractors were made and sold, or more than all other makes combined, and this in face of the fact that the "Fordson" is only two years old. What is the reason? Easily answered, first because it is mechanically correct, second it is adapted not only for plowing, discing, harrowing and pulverizing, but it is also adaptable to all kinds of farm work, from buzzing wood to filling silos, and thirdly your tractor is never idle a day in case of a broken part, as we carry a complete line of tractor parts and are always ready to come at your call. This is the most important item of all, "Service" which means "Service" in every sense of the word. Phone us and our service car is on the way to adjust your troubles. Come in and let us show you some competitive Tractor tests and we will convince you that the "Fordson" is the Tractor you need. Give us a call.
